## Overview:

Experience the beauty, cuisine, and culture of Greece from a local's perspective. Picturesque views of the Aegean Sea, dramatic geological landscapes, rich and diverse local cuisine, and – of course – the Greek isles. It can be easy to visit Greece and have a nice vacation, but remain distant from the people and culture. This is what makes traveling to Greece with MEJDI Tours, profoundly distinct. Broaden your perspectives of this incredible country as you stroll through the Acropolis in Athens and wonder at the majesty of the Parthenon. Sit down with some of the brightest minds in Athens for a no-holds-barred discussion on Greece's current socio-economic position. Explore the Cave of Zeus and learn traditional Greek dancing with locals on the island of Crete. Learn to sail in Santorini, and sit down with the island's only local fisherwoman to learn about three generations of fishing in the islands.
